This is a certificate of attendance issued by smert.ai Limited for private, non-formal industry training. smert.ai Limited is not a school registered under the Education Ordinance (Cap. 279) — cohorts are capped below the statutory thresholds (20 or more persons in any one day, or 8 or more persons at any one time). This certificate is not an academic award, degree or qualification, and the programme is neither registered nor exempted under the Non-local Higher and Professional Education (Regulation) Ordinance (Cap. 493). It records attendance and participation only. Where a programme references healthcare, it does not provide training for direct clinical decision-making or patient treatment, and SMERT Academy is not affiliated with any university or medical school.
